EY Russian practice will continue operations

Press contact

EY in Russia

A global leader in assurance, tax, transaction and consulting services.

Today, EY global organization decided that the Russian practice will continue working with clients as an independent group of audit and consulting companies that are not part of the EY global network. The changes will take effect after the required transition period.

EY in Russia is a team of 4,700 professionals working in 9 cities of the country. The company has been operating in the Russian market for more than 30 years. During this time, the Russian practice has developed extensive expertise and built a team of highly qualified professionals in audit, technology and business consulting, transaction services, tax and legal services, and gained experience in implementing most complex projects.

EY Russian practice is providing and will continue to provide services to all its clients in accordance with high quality standards based on international methodologies developed by the global organization, which will continue to provide methodological support to Russian practice.

EY global organization assured that it would provide assistance to Russian employees.

We are confident that our clients will support us, and we will continue mutually beneficial cooperation on both current and new projects, and will continue to successfully develop the Russian practice.

About EY

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.

EY works together with companies across the CIS and assists them in realizing their business goals. 5,500 professionals work at 19 CIS offices (in Moscow, Ekaterinburg, Kazan, Krasnodar, Novosibirsk, Rostov-on-Don, St. Petersburg, Togliatti, Vladivostok, Almaty, Atyrau, Nur-Sultan, Baku, Bishkek, Kyiv, Minsk, Tashkent, Tbilisi, Yerevan).
