

Xerox Releases Statement on Conflict in Ukraine

MAR 13, 2022 – CORPORATE

NORWALK, Conn. — Xerox Holdings Corporation (NASDAQ: XRX) today issued the following statement regarding the ongoing conflict in Ukraine.

We are closely following the devastating conflict in Ukraine and are supporting humanitarian efforts while doing everything we can to keep our employees in the region safe.

Using our Employee Relief Fund, we’ve provided cash grants to each employee in Ukraine. Xerox has also provided additional contributions to the Red Cross and Save the Children, our international relief partners.

At the onset of the conflict, we stopped all shipments to Russia, and we are complying with all applicable government-issued sanctions.

We continue to closely monitor events and will adapt our response accordingly.

We hope for a quick restoration of peace.
